What's hot at SupplySide West 2019 – digital magazine

SupplySide West is the industry's gathering place where science and strategy intersect—in the expo hall, during conference programming and even in the networking that builds new relationships. More than 17,000 ingredient buyers and sellers from the dietary supplement, beverage, functional food, personal care and sports nutrition industries will converge in Las Vegas October 15 to 19, marking the 23rd annual event. This issue highlights some of the options to aid attendees in planning.
